All papers - identifying changes to Course Notes from previous editions

Mock Exams

Certificate - 3 mocks available

Professional and Advanced Level - Recorded debriefs from First Intuition of the (up to 6) mocks provided by ICAEW

Progress Tests

Certificate and Professional Level

Advance Information

Advanced Level Case Study Paper 'walk throughs'

Our ICAEW team aims to complete current syllabus updates by December of this year, offering a great trial opportunity in advance of the new evolved content, with new evolved syllabus content expected around Sept/Oct 2025 for Certificate, and Dec/Jan 2026 for Professional level.

First Intuition's Journey to Success

First Intuition opened its first study centre in 2007 - and today, with 25 study centres across the UK, over 10,000 students now use FI for their professional accountancy and apprenticeship training each year - achieving industry leading results.

In 2019, First Intuition launched First Intuition Learning Solutions, an international subsidiary to supply bespoke online training solutions and services to professional training partners world-wide. In doing so, we make our top-tier content and online course architecture available for clients in over 65 countries to deliver and manage their own, locally supported online courses.

And, our model is autonomous: Your students, your courses, managed by you.

First Intuition's ICAEW Platform Solutions

If you are looking to initiate your digital delivery strategy, we can put the power of First Intuition's award-winning online learning and data analytics in your hands.

We make it easy to begin delivering your own quality, structured online ICAEW courses, including integrated assessment and testing capabilities, all under your own brand and supported by your tutors
